

WHAT'S COOKING?

EST 1978

.....GRILL & BAR.....

Flippin' burgers
since '78.

"There are burgers I'll remember all my
life, though some have changed.

Some with bacon, some with feta, some had
pickle on and some were plain.

All these burgers had their moments with
lovers and friends I still can recall,
some were good and some historic, in my
life I've loved them all."

Allergen Advice:

Food is prepared in a kitchen where nuts, gluten, and other allergens are present. We are not able to list all the ingredients contained within our menu dishes and there may be a risk of cross contamination. Full ingredients and allergen information is available separately, if you have any concerns about these please let a member of our management team know before ordering.
